

9 Nollaig 2021

A chara,

Beatha agus sláinte chugat.

Tá an Roinn Oideachais tar éis tacaíochtaí breise COVID a sholáthar dúinn do dhaltaí. Mar thús, ba mhaith linn an deis a thabhairt do dhaltaí Ardteiste freastal ar bhloc 2 uair an chloig oibre i ngach ceann de na hábhair scrúduithe. Beidh na blocanna seo ar siúl tráthnóna Dé hAoine óna 1400 - 1600 seacht Dé hAoine i ndiaidh a chéile le briseadh do na bréagscrúduithe i mí Feabhra. Tosnóimid ar an 17 Nollaig le Béarla. Cé nach bhfuil sé éigeantach freastal orthu seo, molaimid go láidir do na daltaí ar fad an tacaíocht bhreise seo a thógaint.

Anuas air sin, tá daltaí áirithe ag fanacht sa bhaile mar go mbíonn daoine eile ón rang imithe chuig imeacht éigin seach-churaclaim. Ba mhaith liom a mheabhrú do thuismitheoirí go leanann ranganna ar aghaidh mar is gnáth nuair a bhíonn daltaí ag glacadh páirte in imeachtaí seach-churaclaim. Go deimhin, is seans é tacaíocht bhreise a fháil agus níos lú daoine sa rang.

Má tá aon cheist agat faoi aon chuid de seo, ná bíodh leisce ort teagmháil a dhéanamh liom ag em@pcd07.ie nó ag 066 9150055.

The Department of Education has provided us with additional COVID supports for students. As a starting point we would like to give the Leaving Certificate students an opportunity to attend a two hour block of work in all of their exam subjects. We will be running these blocks on Friday afternoons from 1400 - 1600 on seven consecutive Fridays as outlined in the schedule with a break for the Mock Exams in February. We will be commencing on December 17th with English. While it is not

compulsory to attend we would strongly encourage all students to avail of this extra support.

Furthermore some students are electing to stay at home because members of their class are away on extra curricular activities. I would like to remind parents that classes go ahead as normal on days that students are partaking in extra curricular activities. If anything it is a chance to get extra support because of the reduced numbers in class.

If you have any queries around any of this do not hesitate to contact me on em@pcd07.ie or on 066 9150055.

December 17th - English

January 7th - French and Spanish

January 14th - Building Construction / Chemistry / Home Economics / Geography

January 21st - Biology (MF) / Agricultural Science / Physics / DGC

January 28th - Mata

February 4th - Business / Biology (DT) / Engineering / Art / History

March 4th - Gaeilge - Focus on the Oral Exams

Le buíochas,

Éamonn Mac Muiris
