

A chairde,

Thaispeánamar *The Social Dilemma*, clár fáisnéise ar Netflix don scoil ar fad Dé hAoine seo caite. Theastaigh uainn feasacht gach éinne timpeall ar na meáin shóisialta a ardú, an tslí a théann siad i gcion ar dhuine agus an tslí a mbaintear úsáid as ár sonraí pearsanta. Tá eolas spéisiúil ann, cuid de gur cúis imní é. Molaimid daoibh féachaint air sibh fhéin, más mian libh agus an cheist a phlé le do leanbh / leanaí fhéin.

*The entire school watched The Social Dilemma, a Netflix documentary last Friday. We wanted to raise awareness around social media, the manipulation that occurs and how our data is used. There is interesting information there some of which is quite alarming. We would encourage you to watch it, if you wish and discuss it with your child / children.*

Le buíochas,

Éamonn Mac Muiris
