

14 Márta 2022

A chara,

Beatha agus sláinte chugat.

Ba mhaith linn bhur dtuairimí maidir leis na bearta COVID 19 a bhí i bhfeidhm sa scoil le dhá bhliain anuas.

Ag féachaint ar aghaidh an bhfuil rudaí a chuir/nár chuir le saol scoile do leanbh / leanaí? Nó an bhfuil aon mholadh / mholtaí eile agat ina leith seo.

Ba mhór agam duit an suirbhé a líonadh roimh an 21 Márta led thoil.

We are interested in hearing your opinions with regard to the COVID 19 measures that have been in place in school for the last two years. Looking forward are there measures that augmented/diminished your child's life in school? Or have you any other suggestions with regard to this?

I would appreciate if you could fill in the survey before Monday March 21st.

Le buíochas,

Éamonn Mac Muiris
