

Teachtaireacht Thábhachtach Ó Fheidhmeannach An Chlub:

Tá an-díomá orainn a fhógairt go bhfuil eachtraí d'iompraíocht fhrithshóisialta ar siúl i bPáirc an Ághasaigh le roinnt seachtainí anuas, eachtraí lena n-áirítear ólachán faoi aois, loitiméireacht, graifítí, bruscar, síománaíocht s.rl. Is cúis mhór imní é seo dár gclub mar go bhfuil sé ag titim amach níos minicí anois agus nílimid chun glacadh leis.

B'áit shábhailte i gcónaí í Páirc an Ághasaigh ina mbuaileann leanaí lena chéile chun spórt a imirt. Nílimid chun glacadh le haon ní a chuireann sábháilteacht ár leanaí, ár n-imreoirí agus ár mbaill i mbaol. Tá ár n-oibríthe deonacha ag déanamh a ndícheall an áit a ghlanadh go rialta ach caithfear dul i ngleic leis an bhfadhb seo láithreach sular ngortófar duine éigin.

Pointí tábhachtacha:

- Ní cheadaítear d'éinne a bheith istigh i bPáirc an Ághasaigh óna 9:00i.n. - 9:00 r.n. - Bíonn na geataí dúnta.
- Is tríd an bpríomhghheata amháin a cheadaítear rochtain ar Pháirc an Ághasaigh. Níl cead léimt thar leis an bhfalla.
- Is áit fháilteach í Páirc an Ághasaigh dár bpobal ar fad. É sin ráite, níl aon ghnó ag grúpaí de dhéagóirí óga a bheith istigh ann mura bhfuilid ag glacadh páirte i gclúichí nó ag féachaint ar chluichí.

Tá na Gardaí ar an eolas faoin bhfadhb seo agus beidh siad ag déanamh patróil ann go rialta. Moltar do dhaoine dul i dteagmháil le stáisiún na nGardaí sa Daingean (066-9151522) má thugann éinne aon rud faoi ndeara nó má bhíonn amhras ar éinne. Is féidir leas a bhaint as seirbhís rúnda an bhaile "See Something, Say Something" trí théacs a sheoladh go dtí 50555 agus an t-eolas maidir leis an eachta fhrithshóisialta a shonrú ann chomh maith.

Iarraimid ar gach tuismitheoir/caomhnóir an t-eolas thuas a roinnt lena leanaí agus iarraimid orthusan an teachtaireacht a scaipeadh i measc a gcairde chomh maith.

Go raibh míle maith agaibh go léir as bhur dtacaíocht.

Important Message From Club Executive:

It is very disappointing to report that there have been numerous episodes of anti-social behaviour taking place in Páirc an Ághasaigh over the past number of weeks including underage drinking, vandalism, graffiti, littering, loitering, etc.

Unfortunately, these incidents have been escalating and becoming more frequent. This is unacceptable and of great concern to our club.

Páirc an Ághasaigh is synonymous with being a safe destination where our children can come, meet their friends, and enjoy their sport. We cannot and will not tolerate anything that puts the safety of our children, our players, and our members at risk. Our volunteers are doing their utmost to try and stay on top of the situation (e.g. ad-hoc patrols of grounds, regularly removing broken glass, removing graffiti, etc.)

but we need to address this problem ASAP before someone gets seriously injured.

Some Key Points we want to highlight:

- No access is permitted to Páirc an Ághasaigh from 9pm to 9am - gates are locked.
- Entry into Páirc an Ághasaigh is via the main entrance gate ONLY. Under no circumstance should a wall or fence be scaled in order to obtain entry to our grounds.
- Páirc an Ághasaigh is a welcoming place for all our community. That being said, groups of young teens (males & females) and young couples have no business loitering on the grounds when neither participating in or watching games/training.

The Gardaí are aware of the situation and will be doing regular patrols. In order to report an incident/suspicious activity, people are encouraged to phone the station (066-9151522) or avail of our town's confidential "See Something, Say Something" service by sending a text to 50555 specifying the location of where the anti-social behaviour is occurring.

We urge all parents to make their sons/daughters aware of the above and request that they spread this message to their friends also.

Thank you all for your support.
