

5 Samhain 2021

A chara,

Beatha agus sláinte chugat.

Bhíomar ag súil go mbeimis in ann cuireadh a thabhairt do thuismitheoirí Bliain 6 teacht isteach ar scoil don chruinniú tuismitheoirí múinteoirí ar an 11 Samhain. Faraor, leis an tslí atá na huimhreacha ní féidir linn. Dá bharr sin, seo a leanas an tslí atáimid chun é a rith:

- Beidh leathlae ag na daltaí Déardaoin an 11 Samhain chun deis a thabhairt dúinn labhairt leis na thuismitheoirí ar fad.
- Glaoch fóin a bheidh i gceist.
- Beidh bileog ag gach dalta, le sceideal leagtha amach le spásanna 15 nóiméad ó 1330 ar aghaidh.
- Beidh do mhac/iníon in ann an sceideal seo a roinnt leat an tseachtain seo chugainn sa tslí agus go mbeidh tú saor agus ag súil leis an nglaoch ag an am cuí.
- Tá sé i gceist againn cruinniú eile a rith i ndiaidh na réamhscrúduithe sa scoil, ag brath ar an gcomhairle sláinte poiblí ag an am.
- Má tá ceist ar bith agaibh maidir leis seo is féidir libh dul i dteagmháil liom trí ríomhphost a sheoladh go dtí [em@pcd07.ie](mailto:em@pcd07.ie) nó glaoch ar an scoil ag 066 9150055.

*We were hoping to invite 6th year parents into the school for the parent teacher meeting on November 11th next. Unfortunately, with the way the numbers have gone recently we now no longer can. As a result we will proceed as follows:*

- *The students will have a half day on Thursday November 11th to give the teachers an opportunity to speak to all of the parents.*
- *Each teacher will phone each parent.*
- *Every student will have a sheet with a schedule of 15 minute slots from 1330 onwards.*
- *Your son/daughter can share this sheet with you next week so that you will know what time to expect the calls and to ensure you are free at that time.*
- *We are also hoping to run a face to face meeting after the mock exams, depending on public health advice at the time.*
- *If you have any questions on this do not hesitate to contact me by emailing me on [em@pcd07.ie](mailto:em@pcd07.ie) or by calling the school on 066 9150055.*

Le buíochas,

Éamonn Mac Muiris  
Príomhoide
