

Idirbhliain

12 Deireadh Fomhair 2020

A chara,

Mar eolas níl scoil ag an Idirbhliain an Dé hAoine beag seo, an 16 Deireadh Fómhair.

Faraoir, ní bheidh Idirbhliain á sheoladh ar Thaithí Oibre an tseachtain seo chugainn ar bhonn sláinte poiblí. Gnáthranganna a bheidh acu. Mar sin féin, beidh sceideal áirithe i bhfeidhm don tseachtain. Beidh gach rang ag caitheamh lá ar fhiosrúcháin gairme, tá siúlóid beartaithe Déardaoin ag brath ar an aimsir agus táimid ag obair ar phlean speisialta do Dé hAoine. Tá sé i gceist againn deis táithí oibre ar feadh coicíse a chur ar fáil níos déanaí sa bhliain, arís, ag brath ar an gcomhairle sláinte poiblí.

For your information Transition Years don't have school next Friday, October 16th.

Also, unfortunately, Transition Years won't be able to undertake their work experience as planned next week from a public health perspective. They will have normal classes, as well as some extra modules . Every class will be spending a full day on a career investigation, there is a walk planned for Thursday depending on the weather and we are working on a special plan for Friday.

We are hoping to facilitate a two week work experience later in the school year depending on public health advice.

Le buíochas,

Éamonn Mac Muiris
