

Information Evening on Tuesday, 21 March from 6pm to 7.30pm in the Aula Maxima, Main Quadrangle, UCC.

At UCC, we understand the importance of providing the **right supports** at the **right time** to make sure students choose the **right course and college option** for them. And that includes supporting parents and guardians to support their young adults make informed choices to optimise their transition to third level learning and life.

To that end, we are running an **Information Evening on Tuesday, 21 March from 6pm to 7.30pm in the Aula Maxima, Main Quadrangle** ([building 59 on the UCC campus map](#)).

This event is specifically for parents, guardians, and supporters of senior cycle students, to provide an overview and helpful insights into academic and student life at University College Cork. The evening will include short practical talks on how to prepare your sons and daughters for the transition to third level, information on finance and grants, and expert advice on degree choices and how they align with future careers.

With over 60 undergraduate degrees on offer, staff from the College of Arts, Celtic Studies and Social Sciences, College of Business and Law, College of Science, Engineering and Food Science and College of Medicine and Health will be available to answer your questions. There will also be an opportunity to chat with staff from our [Disability Support \(DARE\)](#), [UCC Career Services](#), the [Graduate Attributes Programme](#), the [UCC Skills Centre](#) and the [Quercus Scholarship Programme](#).

Light refreshments will also be served.

Throughout the Information Evening we will be also showcasing content from the **Nurturing Bright Futures** programme. This is an innovative, free, online programme which has been designed at UCC for all pre-entry students who may be considering third level education as their next step. This six-module programme will guide your sons and daughters in making their future degree decisions and career choices and help get them in the zone for transitioning to higher education.

There is also a section for Parents and Guardians so that you can **support your young adults to get university-ready.**
