Re: Election of a Parent / Guardian to the school Board of Management

Dear Parent / Guardian,

I am writing to you with the regard to the above.

I would like to take this opportunity to thank our representative who worked diligently on the Board during the last two years, Teresa Uí Chonchúir.

All parents / guardians who have children registered in Pobalscoil Chorca Dhuibhne during the school year 2022-2023 are entitled to vote. All parents / guardians of registered students are entitled to go forward for election. All candidates for election must be proposed by an eligible parent / guardian and seconded by another eligible parent / guardian. Please find below a nomination paper. These nomination papers must be returned to us via the email address em@pcd07.ie or by post by Wednesday September 28th. You can print the form directly from the app or send it to your email address to print it. We will then post a ballot paper to you and a secret ballot will be conducted. All ballot papers have to be posted back to the school by Wednesday October 12th. The votes will then be counted.

One female parent is to be elected on to the Board of Management.

Is mise le meas,

Claire Ní Ghealbháin
Chairperson Parents Council

Bord Bainistíochta Phobalscoil Chorca Dhuibhne 2020 – 2023
